Overview

THE CRISTA FAMILY OF MINISTRIES

CRISTA exists to make known the love of Jesus Christ through demonstrated works of service and ministry. We use every method available so that the people of the world may hear the Gospel, accept Christ as their Savior, and grow in their faith. We are a united yet diverse family of Biblical Ministries inspired by a shared vision to serve and impact the young through the elderly, all cultures and backgrounds, in our own backyard and around the world through excellence in our service and operations. By leading a healthy and sustainable organization, CRISTA empowers its ministries to serve the needs of the world and share the Gospel, making disciples. Our commitment is to glorify, honor and obey the Lord in all we do through a workforce of staff and volunteers who are called, committed and faithful Christians.

CRISTA is a family of six unique ministries united in one purpose—to serve the needs of the world with the Gospel of Jesus Christ. Through our unity we believe God can do more than each ministry in our family can do on its own. Out of His abundant grace, God has provided us with a vision that we call our Big Dream.

The CRISTA Family will operate a healthy and sustainable organization where we will annually serve 3 million people with the love of Christ and witness 700,000 new and growing disciples of Jesus Christ by 2025.

Headquartered in Shoreline, Washington, the CRISTA Family of Ministries serves locally, regionally, nationally, and throughout the world.

VISION

To transform lives with the Gospel of Jesus Christ through sustainable, Biblical Christian ministries.

MISSION

We are a family of ministries empowered to serve the needs of the world with the Gospel of Jesus Christ.

BIG DREAM

To annually serve 3 million people with the love of Christ and witness 700,000 new and growing disciples of Jesus Christ by 2025.

HISTORY

In 1948, CRISTA founder Mike Martin prayed for a youth home just outside the abandoned Firland Tuberculosis Sanatorium in Shoreline, Washington. He had no idea he was helping to plant a seed that would grow into the family of ministries we have today. He was simply looking for a place to house and feed the teens he had met through his ministry with youth.

Although the King County Commissioners responsible for the sanatorium's fate initially rejected Martin's application to lease the space, he was persistent. Eventually, the commissioners granted Martin the 56-acre campus for \$1.00 a year, with one condition: he must also begin a much-needed retirement community on the campus. As Martin began working to repair the sanatorium with the help of his wife and children, over 70 families who shared his vision to serve showed up to help.

Just one year later the sanatorium became King's Garden and opened as a home to youth in dormitories and approximately 80 elderly residents. Soon, King's Schools was formed to meet the youth's educational needs with a Christ-centered school. The school celebrated its first graduating class in 1951. During summers, King's Garden remained vibrant with on-campus summer camps, before Miracle Ranch, the first of two camps, became host for the summer program's expanding needs.

Meanwhile, the growing community at King's Garden shared its stories and faith through a 15-minute radio program on a local station. When the station eventually cancelled the program, Martin wasn't deterred. Sensing God's direction, he started his own station, and KGDN went on-air in 1954. The radio ministry branched naturally over time into our current stations and online presence.

King's Garden became CRISTA in 1979 (an identity inspired by the concept of putting Christianity in Action) and maintained a focus on serving the poor; hosting annual missionary conferences and welcoming missionaries during their furloughs. On December 1, 1970, World Concern, previously "Medicine for Missions," joined the ministry family.

Through the years, as new rings have been added to our family, CRISTA has retained the mission of serving the needs of the world with the Gospel of Jesus Christ through education, international relief and development, senior care, and media.

Ministries

KING'S SCHOOLS is the realization of the vision Mike Martin had when he started CRISTA 71 years ago. The school opened in 1950 with the goal of providing a home and education for children, as well as discipling them in Christ. Though no longer a boarding school, King's continues to provide a college prep education with a Christian worldview. Students are taught scripture in class and disciplined in their faith by teachers and coaches daily. Today, King's Schools serves more than 1,000 students in preschool through high school each year. 98% of King's Schools' graduates go on to pursue higher education. King's School has won 51 state athletic championships, 41 academic championships, and holds 11 scholastic cup championships.

CRISTA SENIOR LIVING was formed in 1950 to serve the elderly with Christ's love. Senior Living staff provide compassionate and professional care for more than 1,658 seniors at two locations—Cristwood in Shoreline and Crista Shores in Silverdale, which was opened in 1994. Our seniors at Cristwood enjoy an intergenerational community as they interact with the staff of our ministries and the students at King's Schools. During the last 71 years, many seniors have been brought to Christ and encouraged in their faith through the ministry of staff and our chaplain at Senior Living.

CRISTA CAMPS grew out of the desire to serve young people and share the love of God with them. Miracle Ranch and Island Lake—like every ministry at CRISTA—are a miracle of God’s provision. The Camps provide memorable experiences where more than 26,500 children and adults encounter Christ each year. Our Camps provide one-of-a-kind experiences that connect campers with our Creator through nature, fellowship, and fun. Intentional Bible teaching, cabin devotions, and fireside worship sessions birth new life in Christ within many campers each year.
