About Us

Positioned at the crossroads of faith and culture, TIC offers an exceptional opportunity for impactful ministry. Trinity has ministered to the English-speaking community in Santa Cruz, Bolivia since 1961. This is the only English speaking congregation in Santa Cruz, a city of over 3 million people. Our congregation is diverse, with approximately 75 native Bolivians as well as immigrants to Bolivia attending each Sunday. Currently, the Pastor is our only paid staff.

Ministries

At TIC, our programs and traditions include Sunday morning praise and worship services, Sunday school, weekly men's and women's Bible studies, and cherished special services on Easter and Christmas. During our church services, simultaneous Spanish translation is available, which has contributed to the growth of our ESL membership. A hallmark of TIC is the Spotlight Program, which provides free, Christ-centered English lessons before Sunday morning services.

Our church is committed to serving the community, currently supporting initiatives for underprivileged street youth, the homeless, and vulnerable children. We play a significant role in providing support to international volunteers engaged in these ministries who seek a welcoming English-speaking church community.

Trinity International Church (TIC) is actively seeking a Pastor to lead our existing English-speaking congregation and expanding ministry in Santa Cruz, Bolivia. As one of the fastest-growing cities globally, Santa Cruz is undergoing rapid social change, with a flourishing middle class and a diverse international community, resulting in a heightened demand for English language services and engagement.

We are seeking an individual or couple who can cultivate spiritual growth through dynamic preaching and Bible teaching in English, along with a Gospel-centered focus on mission within the community. Our ideal candidate will collaborate with church leadership to actively engage with and clarify our Vision and Mission.

While the position does not offer a full-time salary, we provide a generous monthly stipend to assist with housing costs, living expenses, and English-language, Christian education at an accredited school. The incoming Pastor will have the responsibility of independently raising the majority of their living expenses.
